

Goodman Nonprofit Fellowship - Board Member/Supervisor Portion

Irwin A. and Robert D. Goodman
Nonprofit Center

The Goodman Nonprofit Center is committed to providing a high-quality educational experience that delivers practical knowledge nonprofit leaders can implement in their work. We also commit to creating a safe, creative, and positive learning environment that allows them to connect meaningfully with other leaders and have access to resources that will be valuable to them during the fellowship and beyond. We will also be providing opportunities for them to continue to engage as an alumnus of the program.

We expect them to commit an average of 12 hours a month - 9 hours of in-person formal course work and 3 hours outside - for a total of 120 hours over the course of the fellowship program (September 2025-June 2026).

The cost will be \$1,000 per person. We also expect they are actively contributing to building a positive learning community for their self and their fellow cohort members by committing to the following:

- Being present and prepared for all scheduled sessions
- Approaching the experience with curiosity, openness, respect and generosity for each other's expertise, wisdom, lived experience, and humanity
- Making space and taking space by being mindful of how much they speak and the role power and privilege play in our interactions
- Being open to growth and discomfort and allowing each other to make mistakes without judgement or defensiveness
- Honor confidentiality by ensuring what is said stays with the group but what's learned leaves
